# THE WRITE STUFF

Calling all Frozen lovers! How about writing your own Frozen story?

READY,  
STEADY, START

Finding a brilliant beginning can sometimes be the hardest part of writing a story. Try starting with this if you're stuck.

Anna was really good at three things... ★★

Write your  
very own  
brrrilliant  
fiction,  
using our  
top tips!

1 Being kind

or use one of these starting sentences instead.

★ When Anna woke up, all her friends had disappeared.

★ One miserable rainy morning, Olaf realised he'd started to melt.

★ "I don't understand it," cried Elsa. "Why would somebody steal my crown?"

★ Anna was always late, and it drove her sister crazy.

TERRIFIC  
TITLES

A title tells you what to expect from a story, and can give you plenty of awesome writing ideas. Try coming up with your own - we've done some to get you started! ★★

## GET IN CHARACTER

Many of the best stories have a main character with an issue that needs to be solved. It could be an enormous problem or a teeny tiny thing. Don't panic, we have a handy list to get you going!

Frozen character's name: .....

Describe your character: .....

The story takes place in: .....

The character's friends are: .....

The character's problem is: .....

Now get writing and work out how your character is going to solve the problem.

Run out of space?  
No worries!  
Just keep writing  
on a piece of  
paper or in  
a notebook.

THAT'S SO EMBARRASSING!

## SLIPPER SHAME

I woke up late because my alarm didn't go off. I rushed around, got dressed, ate breakfast and jumped into the car with my mum. It wasn't until I was walking into school that I realised I was still wearing my unicorn slippers. I had to wear them all day!

OUCH!

## DANCE DISASTER

I really wanted the lead in our school musical. But at the audition, I was so busy singing and dancing my socks off that I spun right off stage. The whole room cracked up. Needless to say, I didn't get the part.

HALLE, 8

## THE X FACTOR'S Megan McKenna

I once had a spray tan for a special event. But I forgot to wash it off and had to walk around with an orange face and hands. It was so embarrassing.

HA HA HA

## SWING SLIP

I was at my friend's birthday party and one of her presents was a swing, so we all took turns to play on it. When it was my go, I decided to jump off the swing, but was too scared to let go. I fell flat on my face and everyone at the party was watching me.

**OOOOOPS...**

## LAME LUNCH

The other day at lunch, I was in the middle of texting when my phone slipped out of my hands. I darted under the table to get it. As I started to get back up, I realised my hair was stuck to someone's chewed gum. Talk about disgusting. A teacher had to help me get it unstuck. So embarrassing.

**LOL!**

LILY, 9

## Muddy mishap

My parents took me to visit a farm. We were looking at the chickens when I spotted a really cute pony in a field. I rushed straight over to stroke it, but lost my footing and slipped in a big cow pat. I stank for the whole day!
